

AN EVENING OF MAGIC AND FUN

Performance Date: 5/12/2011, 7:30 pm

Presented by the Baakari Foundation

Come prepared to laugh and be mesmerized by mentalist/magician/comic Jay Alexander! Jay's unique, high-energy, interactive show blends comedy, magic and mentalism with his eccentric skills of human lie detection, speed math and games of influence. Jay has appeared on the Today Show, Good Morning America, MTV and is a favorite "entertainer's entertainer" -- performing for Robin Williams, Bono, Rolling Stones, Steve Wozniak, among others.

Jay Alexander is the great grandson of the legendary vaudeville performer, Gentleman Ben Darwin. As a child, Jay found a trunk in his grandparents attic filled with magic and escapes. His interest in magic took off from there. At the age of fourteen, Jay was honored to be the youngest recipient of the Society of American Magicians Gold Medal of Honor. For over 25 years, Jay has lived his passion of creating unique live entertainment.

Jay shares this evening with us in support of THE BAAKARI FOUNDATION, INC., a non-profit organization. This show is a fundraiser for a Public Service Announcement being produced by The Baakari Foundation that will shed light on the plight of Premarin Foals... these baby horses are a by-product of the pharmaceutical industry and are often sent off to the slaughterhouse. Your ticket purchase will help raise funds for this much-needed and worthy PSA.
